

Third-Party Asset Management

At a glance

February 2019

Who we are

We are a well-known, ambitious and reliable European asset manager in Switzerland, France, Germany, Luxembourg and the UK.

Our investment philosophy is based on the preservation of value in the long run. This philosophy has resulted in a lived culture of risk awareness that has allowed us to protect and grow the wealth of our investors. We offer this proven investment approach also to third-party clients in our key markets.

We have a well-proven and long-standing expertise in the active management of returns and risks of fixed income, real estate, equities, infrastructure and multi asset investment solutions.

Strong footprint in Europe
