Who we are

We are a leading European asset manager and institutional real estate asset manager with locations in Switzerland, France, Germany, Luxembourg, the UK and Norway.

We think long term and act responsibly. Drawing on our knowledge and experience of over 165 years in risk management, we develop future-oriented investment solutions. That includes the provision and active management of a broad range of investment solutions in the fixed income, real estate, equity, infrastructure and multi-asset investment classes. That's how we support our clients in achieving their long-term investment objectives. This in turn helps their customers to plan long term and act with self-determination.
